

Dear Parents,

It is my pleasure to welcome you to the Magnolia Montessori School of Whitehouse Station. At our school, your child will feel empowered to trust their own abilities so that they can take advantage of the classroom environment and all it has to offer them. Each Montessori trained Directress focuses on the individual child and concentrates on how they can be fully nurtured. We support and guide your child while making the experience fulfilling, productive, and fun! There is nothing more rewarding than watching a child, who was born with unique abilities, talents and interests flourish. Our goal is to guide your children to be happy, independent, responsible people and acquire life skills, such as:

Motivation
Independent Thinking
Problem Solving
Decision Making
Self-Discipline
Accountability
Responsibility
Trust
Respect
Confidence

Each child is one of a kind and their education should be too.

We are honored that you have chosen our school and welcome you to our family

Please review the attached forms to help get ready for your first day.

Thank you,
Jennifer Iannaconi
Head of School
